

Members Information

Thame Runners is a friendly, mixed ability running club, offering regular structured training sessions, to help runners of all abilities to improve their running. Perfect if you're aiming to run further or faster, or simply looking to run with sociable company.

Thame Runners. Est. 1983

Our running club was established by local resident & runner Leo Smale in 1983 and Thame Runners (TR) was officially founded in 1984. At that time there were just 24 members, compared to the 200+ members that were celebrated towards the end of 2024.

We have an even ratio of men & women members and whilst the majority of our runners are aged between 35-49, our youngest are in their 20's and our oldest is 84 (and still leads sessions!)

Thame Runners is managed by a small committee of volunteers who are supported by a wider community of our members. Together, we are able to offer safe, structured & inclusive run sessions, coaching, Couch to 5K (C25K) and Couch to 10K (C210K) programmes and other opportunities such as participation in the Oxford Cross Country league (XC).

We also host the annual CPM Thame 10k race in June and have a small separate race committee that organises this event, with marshalling provided by TR members, their families & friends.

Membership & England Athletics (EA)

Thame Runners is an [England Athletics](#) affiliated club. England Athletics is a 'not for profit' organisation that supports grassroot clubs and athletes with club standards, competition opportunities, development and training.

As a member of Thame Runners, you will be registered with England Athletics and be part of a nationwide community of athletes and runners. Our club Membership Secretary is responsible for registering you and you will receive a digital athlete registration pack from EA, which includes your registration card and personal unique registration number (URN).

Your EA registration not only benefits the sport as a whole but also gives you access to a range of [benefits and services](#).

The membership period runs from April to March each year. You can join at any time during the year but it should be noted that fees are not pro-rated throughout the year.

If you are a new athlete, not previously registered with EA & join between January – March, you will benefit from 15 months membership through to the end of March the following year. NOTE: “Extended registration only applies to *new* athletes registered with EA during this period. If the athlete joins the club and they have previously been registered with England Athletics by another club in the past then they would only be covered until 31st March of the current year and would have to pay again from 1st April onwards when the new registration year commences”

Membership of Thame Runners is managed via the ConnectMyClub app. With your consent, the Membership Secretary will add you to the app and you will be required to add your personal details & emergency contact (ICE) details.

The membership fee from 1st April 2025 for a solo member is £37. We also offer joint membership for £64. Part of your fee (£20 from 01/04/25) is used to register you as a ‘competitive’ athlete with EA. There is not an option to opt out of EA registration.

For members that have been with the club for 10 years or more and are no longer participating in races, we offer ‘social’ membership for £15. The reduced fee is in recognition that there is no EA payment for these members.

Each year, all athletics/running clubs affiliated to England Athletics will be eligible to apply for club entries for the [TCS London Marathon](#). The number of entries allocated to each club will be based on the number of members it has registered with England Athletics. Provided members have already applied for a place in the general ballot and been rejected & if they also meet the criteria set out in Section 8 of the [Club Rules – Thame Runners](#), they can apply for one of these club places. The standard UK entry fee applies for club entries and this cost will need to be met by the runner who is successful in the ballot for the club entry.

Training Sessions

We offer a range of training sessions and run in small groups at a variety of paces, to ensure everyone has a good run that suits their ability. Each group has a Run Leader, who is a member of the club that leads the route, ensures the correct pace and makes sure no one gets left behind!

Our HQ & usual meeting point is Racquets Fitness Centre, North Street, OX9 3TH.

We use the ConnectMyClub app to book ourselves onto runs. Members are welcome to sign into any session of their choosing and are not committed to running with the same group each week. Feel free

to mix it up depending upon how you are feeling, what you are training for and who you wish to socialise with!

Our legendary SWET runs (Summer Wednesday Evening Training), start in April from a chosen village pub car park at 7.00 pm. Running route is ideally nearly all off-road and we return to the pub between 8.00 and 8.15 pm for a well earned drink.

Typically our training week looks like this

Day	Run Type	Start Location	Typical Start Time
Mon	Training Run (Various distances/paces)	Racquets, Thame	18.00 - 19:00
Wed	Winter Interval Session	Racquets, Thame	18:45
Wed	Winter Training Run	Racquets, Thame	19:00
Wed	Summer Cross Country Run (SWET)	Various	19:00
Thurs	Summer Interval/Technique Session	Racquets, Thame	18:45
Fri	Fartlek Training (Moderate/Fast)	Various	08.30
Sun	Cross Country Run	Various	08:00
Sun	Fartlek Training (Freshers)	Various	08.30

Group pace/distances for our training sessions are:

Group	Approx Pace min/mile (min/km)	Approx distance in miles (km)
Fast	<7:30 (<4:40 min/km)	7mi (11.2km)
Medium 1	8:30 to 9min/mi (5:00-5:20 min/km)	6 -7mi (10-11km)
Medium 2	9:00 to 9:30 min/mi (5:30-6:00 min/km)	6mi (10km)
Steady 1	9:30+ (6:00+ min/km)	5mi (8km)
Steady 2	10.15-10.45	4mi (6.5km)
Freshers 2	11min/mile (6.55min/km)	4mi (6.5km)
Freshers 1	11:00 to 13.00+ (6:55- 8:00 min/km)	3-3.5mi (5km)

Club Championships

Our Club Championship races offer everyone, regardless of pace, the opportunity to compete against other Thame Runners in a scored competition. The Club Championship runs for the full twelve months of a calendar year and consists of 12-16 events of varying distances and disciplines.

There are a wide variety of races that make up the Club Championship in order to encourage runners of all abilities to participate, experience different types of events and improve their race times.

Runners do not need to participate in every race, but to win the title the victor must compete in at least one shorter distance event (5K, 10K or 5-miler) and at least one longer distance event (10-miler or half marathon) so that the resulting champion is a true specialist of all the distances.

We have two Mens Divisions and two Ladies Divisions – the winner of each division is determined by the highest number of points scored, with bonus points available for personal bests, encouraging and

enabling everyone to have a bash at the title! Overall club championship title is won by the athlete who has the highest total score. [Club Championship Rules – Thame Runners](#)

In 2022, we launched our Freshers Club Championships, aimed at encouraging new and improvers to participate in a blend of 5k & 10k races. Scoring is based on individual improvement vs competition

Scoring

7 pts for each timed 5k run or race
3 pts for each 5k personal best
10 pts for each 10k race completed
5 pts for each 10k personal best
5 bonus points for participating in 8 events or more

members
Parkruns,

Oxford Cross Country League (XC)

Thame Runners participates in the Oxfordshire Cross Country League (OXL). Each season from November through to March, the League organises a challenging but fun series of cross country races with courses being typically 4-5 miles.

The League is open only to its affiliated member clubs. Athletes may not enter as individuals. We enter a ladies and a men's team, who run in separate races. This is a great opportunity to challenge yourself, but also one of the few chances that you will get to run as a team as the first few crossing the line score points.

Details of the league can be found at oxonxc.org.uk

Club Kit

Thame Runners have both training kit and competition vests and t-shirts available to purchase. Details are on the ConnectMyClub app.

Race Hub

We like to share our successes & celebrate each other! Our Race Hub is the place to let each other know the challenges we are taking on. Whether it's a first 5k, a great 10k result, or a marathon or ultra-marathon, Race Hub information will be posted periodically and reports can be found in Club Documents in the the ConnectMyClub app.

Staying Connected – Communications

The **'ConnectMyClub' App** is the main way to access club information, book on training runs, renew membership, read formal announcements and news. Here you will find all critical information and club policies.

Our **website** promotes club membership and hosts some of the key information that is on the ConnectMyClub app; and also information that is for public consumption such as Social Events, Club Records & Kit: [Thame Runners – Friendly, mixed ability running club](#)

Social Media: Thame Runners has a public facing [Facebook page](#) and [Instagram account](#). This is our main way of presenting ourselves to the public and recruiting new members. Race reports, member's PBs, social events etc are on here, to show that we are a functioning club and having fun!

For members, we also have a **private Facebook group** for sharing informal news with our members & promoting internal club events such as championships.

Finally, we have a **WhatsApp group** for social chat that members are invited to join. This is where you go for running related chat, to ask for a lift share or to give another member a high five for their achievements.

Meet the Committee

Our committee consists of 8 volunteers, each of whom take on a specific role and are voted in annually at our AGM. Details of the committee can be found on the website at [Committee – Thame Runners](#) and also in the ConnectMyClub app at Meet the Committee on the Ready, Steady homepage.

Partners & Discounts

Running Kit & Shoes – Runners Retreat in Marlow will assess your running and help you choose the right running shoes. They give a 10% discount on full price items to Thame Runners

Gym Membership: Racquets offer discounted membership of £440 per annum or £44 per month

Personal Training/Strength & Conditioning: Aaron is our Head of Coaching and runs a PT business, LAMBSFitness. www.lambsfitness.com

Sports Massage & Soft Tissue Treatment: Kirsten is our membership secretary and operates Optimal Performance, offering injury assessment, rehab and sports massage treatments. Thame Runners receive a 10% discount on their first appointment www.opsofttissuetherapy.com
